

Dear Candidates,

Precautionary Measures on the Prevention of COVID-19

You are reminded to be vigilant against the disease and to closely observe the following measures:

1. You are required to wear a surgical mask when attending examination at PEAK and should check your temperature before leaving home and going to examination venue. If you have a fever, cough, diarrhoea, vomiting or other flu-like symptoms, please seek medical advice immediately and **DO NOT** attend examination.
2. If you belong to the type of persons who are required to undergo the compulsory COVID-19 testing or subject to quarantine/isolation/medical surveillance orders in accordance to the prevailing Rules and Regulations announced by the Government of the HKSAR, please **DO NOT** attend examination **ANY TIME** during the **WHOLE** compulsory quarantine/isolation/medical surveillance/testing period and notify the PEAK Examination Centre (“Exam Centre”) immediately.
3. For candidates who are absent from examination due to illness, in particular if you are confirmed to have contracted COVID-19, please inform the Exam Centre during office hours.
4. Candidates are also advised to maintain good personal hygiene by adopting the following measures:
 - Wear a surgical mask when taking public transport and in crowded places. It is important to wear a mask properly, including to perform hand hygiene before wearing and after removing a mask. Used masks should be properly wrapped and disposed in a lidded rubbish bin;
 - Avoid touching your eyes, mouth and nose;
 - Keep hands clean at all times. Perform hand hygiene frequently, especially before touching the mouth, nose or eyes; before eating; after using the toilet; after touching public installations such as handrails or door knobs; or when hands are contaminated by respiratory secretions after coughing or sneezing;
 - Wash hands with liquid soap and water and rub for at least 20 seconds, then rinse with water and dry with a disposable paper towel. If hand washing facilities are not available, or when hands are not visibly soiled, performing hand hygiene with 70 to 80% alcohol-based handrub is an effective alternative;
 - Cover your mouth and nose with tissue paper when sneezing or coughing. Do not spit or litter. Use tissue paper to hold your spit. Dispose of soiled tissues into a lidded rubbish bin and wash hands thoroughly;
 - After using the toilet, put the toilet lid down before flushing to avoid spreading germs; and
 - When having respiratory symptoms, wear a surgical mask, refrain from work or attending class or examination, avoid going to crowded places and seek medical advice promptly.

We have implemented a series of precautionary measures against COVID-19 at PEAK, e.g. all staff members are required to have a body temperature check before reporting duties, cleaning and disinfection work at PEAK have been strengthened and hand sanitizers are provided outside examination venues. All candidates are required to have a body temperature check at the entrance of the VTC Tower, submit a Health Declaration Form to Exam Centre before entering the examination venue, wear a self-provided surgical mask on campus / inside the examination venue and maintain good personal hygiene. Please strictly follow our Supplementary Guidelines on Prevention of COVID-19 (**Appendix I**) and submit a completed Health Declaration Form (**Appendix II**) to the Exam Centre before attending examination.

We will keep track of the latest development on the spread of the disease. In case there is a need for any special arrangements, announcement will be made through the Exam Centre’s Website (www.peak.edu.hk/exam/en).

Should you have any enquiry, please contact the Exam Centre at 2919 1467.

Supplementary Guidelines to Instructions to Candidates of
the Qualifying Examinations of the Estate Agents Authority regarding
Precautions Against COVID-19

Candidates attending the qualifying examinations of the Estate Agents Authority are required to take note of and follow the guidelines below:

1. Candidates are required to submit a completed Health Declaration Form (**Appendix II**) to the invigilators at the entrance of the examination venue, indicating that they are not feeling unwell and do not belong to the type of persons who are required to undergo compulsory testing or subject to quarantine or isolation or medical surveillance orders under the Prevention and Control of Disease Ordinance (Cap. 599). **Any false declaration made by candidates will be considered as violation of the examination regulations and will lead to disqualification.**

2. Candidates are required to measure their body temperature at home before attending the examination, put on a **SELF-PROVIDED** surgical mask on campus/inside the examination venue and perform hand hygiene with alcohol sanitizer before entering the examination venue. **Candidates not wearing a surgical mask properly will not be allowed to take the examination and examination fees paid will not be refunded.** Candidates are required to wear a surgical mask throughout the examination, but will be required to take off their masks during the checking of attendance in order to verify their identities.

3. Candidates, regarded as Visitors, are required to comply with the measures below to gain access to VTC Tower:
 - (a) scan the venue QR code using the “LeaveHomeSafe” mobile application (excluded for exempted person); and
 - (b) comply with the requirements of the "Vaccine Pass" of VTC Tower by presenting vaccination records*, a valid proof of Infection/Recovery from COVID-19** or valid negative test result***

* Starting from 30 April 2022, those who wish to visit VTC Tower are required to have received the second dose of COVID-19 vaccine (“Vaccine”); and starting from 31 May 2022, they are required to have received the third dose of Vaccine (or if they have not received the third dose of Vaccine, the second dose of Vaccine must have been received in less than 6 months).

** Those who were infected with and have recovered from COVID-19 but had not received the first or second dose of Vaccine before infection, should receive the relevant dose within 6 months from recovery prior to their entry into VTC Tower. For those who have received the second or third dose before infection, no additional dose is required.

*** Applicable to those who are medically unfit for vaccination. They should present their negative Rapid Antigen Test (RAT) results undergone on the day of visiting VTC Tower; or negative Polymerase Chain Reaction-based nucleic acid test results (using combined nasal and throat swabs) undergone within 3 days before the date of visiting VTC Tower.

Otherwise, candidates will not be allowed to enter VTC Tower. Candidates who take the examinations at other examination venues should comply with the requirements of the “Vaccine Pass” for individual examination venues. Candidates refusing to follow the measures of VTC Tower or individual examination venues will be considered as having violated the examination regulations and will be disqualified from the examination, and any fees paid will not be refundable or transferrable.

4. Candidates who have a fever, cough, diarrhoea, vomiting or other flu-like symptoms, should seek medical advice immediately and **NOT** attend the examination. Candidates who could not attend the examinations

should inform the PEAK Examination Centre (“the Exam Centre”) (Email: cpdc@vtc.edu.hk, Tel: 2919 1467) as soon as possible on the day of the examination.

5. Candidates are being quarantined in a quarantine centre should inform the Exam Centre as soon as possible.
6. Candidates should **NOT** attend the examinations **ANY TIME** during the **WHOLE** compulsory testing period (i.e. the period between the issuance of the relevant compulsory testing notice and confirmation of negative test result of the last required compulsory test) / quarantine period / isolation period/medical surveillance orders (as the case may be) if they are required to undergo compulsory COVID-19 testing(s) or subject to quarantine/isolation/medical surveillance orders in accordance to prevailing Rules and Regulations announced by the Government of the HKSAR.
7. Candidates who cannot attend an examination due to (4) or (5) or (6) above should submit a medical certificate or related supporting documents to the Exam Centre as soon as possible.
8. The invigilators may take the body temperature of candidates at the entrance of the examination venue. A candidate whose body temperature exceeds 37.5°C will be required to leave the examination venue immediately and to seek medical consultation.
9. Additional measures for infection control may be implemented at the examination venues. Candidates are strongly advised to arrive early at the examination venue before the start of the examination and allow enough time for such measures. **Candidates will not be allowed extra examination time due to such measures.**
10. **Candidates refusing to cooperate and follow the above measures will be considered as having violated the examination regulations and will be disqualified from the examination, and any fees paid will not be refundable or transferrable.**

Candidates should check the website of the Exam Centre (www.peak.edu.hk/exam/en) and the Estate Agents Authority (www.eaa.org.hk) before the examination for any updated information / arrangements in this regard. Please visit the website of Centre for Health Protection for more updated information about the disease and relevant preventive measures (<http://www.chp.gov.hk>).
