Since it is difficult to collect circumstantial evidence after the examination, no consideration will be given to candidates who do not report unsatisfactory conditions at the venue in writing.
 - (b) In general, no consideration will be given to candidates’ claims of performance being affected by any of the following factors:

- (i) Normal background noise at examination venues – You should not expect complete silence in the examination venue as there may be normal background noise coming from outside vehicles, normal school activities, school bells, coughing and sniffing of neighbouring candidates, candidates entering and leaving the examination venue etc. during an examination.
- (ii) Unsuitable room temperature – Examinations take place at various times throughout the year, and room temperatures of various examination venues may differ and the PEAK Exam Centre may not be able to adjust the examination venue temperature to suit each and every individual’s requirements.
- (iii) Change of seat – If the reported undesirable condition at the examination venue may be rectified or improved by a seat change, the chief invigilator may, upon your request, arrange a seat change if the need is genuine and a spare seat is available at the venue. The identification document presented must be consistent with the identification document stated in the Entry Form. Candidates must be clearly identifiable from their identification document. Where the invigilator is of the view that the photograph on the identification document does not resemble the candidate or has doubts about the validity or authenticity of the documentation, the candidate in question will be required to provide further information and assistance to the invigilator and/or chief invigilator for the verification of his/her identity. The PEAK Exam Centre and/or the EAA have the right to conduct an investigation against the candidate(s) involved and withhold releasing his/her score or cancel his/her score (if already released) pending completion of the investigation. - 5. You should do rough work on question paper only. Do not write anything on the Admission Form. If you write anything on the materials other than question paper and answer sheet (such as writing on the Admission Form), it will be considered as copying or retaining any information relating to examination questions and/or answers.
- 6. Answer sheets will be marked by an optical mark reader. When filling in the boxes on the answer sheet, aim to fill in the box completely by a blunt HB pencil. Fill one box for each question. **No marks will be given** if two or more boxes are filled for the same question. Rub out completely any boxes you wish to change by using a good quality soft rubber and not the one on the end of your pencil. Answers written in the question book will **not be marked**.
