

## Professional Diploma in Insurance (PDI)

### Student's notes

### Updated as at Sep 2022

Thanks for studying the PDI. Pls. refer to your PEAK Student Handbook and note the below programme features for your attention. Details of syllabus and relevant most up-to-dated information can be available on [www.peak.edu.hk/course/PDI.html](http://www.peak.edu.hk/course/PDI.html) :-

1. Students must take 8 modules out of the 15 modules with the below 2 compulsory modules. Each module will encompass around 150 hours of study time including class learning, assessment & self- study.

#### Compulsory module

791I2 Insurance Principle and Practice

Plus at least one legal module from:

793I2 Legal Aspect of General Insurance

798I2 Legal Aspect of Life Insurance

799I2 Legal Framework for Insurance Contract

Remaining modules selected from any range of interdisciplinary specializations. Unless with prior special approval, student will not be allowed to study more than 2 modules each trimester.

Pre-requisite requirement for students taking the module of 797I2 Life Insurance Underwriting and Claims: at least a passing grade of module, “796I2 Life and Health Insurance” or students can demonstrate sufficient knowledge and skills to complete the module successfully, say preferably possessing a minimum 2 years’ relevant work experience in life and health claims or underwriting, etc. with approval of the Programme Leader. For those students without related insurance knowledge, please study those relevant IIQE study notes as per <https://www.peak.edu.hk/exam/en/page.php?id=262385> Students should have some basic related technical knowledge before studying the specialized modules, especially for those Financial Planning stream which would require some related mathematical concepts.

The maximum registration period for the duration of study is 4 years. It is student’s own responsibility and risk to ensure the date of (resit) reassessment exam should still be within the said limitation period. Students be mindful of the choice limitation of modules towards the end of study time limitation by reference to the usual module repeat pattern and may has to choose to take other new module to comply within the said study time limitation and then optionally resit the reassessment module after successful graduation.

2. Each module consists of 10 @ 3 hours lectures.
3. Minimum class attendance requirement is **70%**.
4. English is adopted as the medium of instruction, supplemented with Cantonese where necessary; and assessment is in English with assessment normally including a written assignment (30%) and a written examination (70%). Students may be required by the PDI programme leader to complete some additional English or other courses before they are allowed to continue the PDI study. Student must obtain a minimum of 40% in both the assignment and the exam to pass a module. (Note: the eligible reimbursement requirement of the government’s Continuing Education Fund (CEF) scheme is set at 50%)

The **assignment** is normally around 1,000 words.

**Examination** will be 3 hours.

Please note all related exemption, deferral, marks (especially the assignment mark returned by the lecturer), etc. is tentative only which will all subject to final modulation and rectification by the Examination Board.

5. A student can take the Reassessment (re-submission / resit) for one time for the failed assignment (continuous assessment) and/or final examination with corresponding scored marks equal to or over 30%. If a student fails again in Reassessment, he/she has to re-take the module with all assessment components, including attendance requirement.

The maximum marks for the corresponding Reassessment would be the passing mark 40% for the calculation of award classification.

Such Reassessment application has to be submitted within one month after notification of results with a payment of 10% for each resit / re-submission of the normal enrolment fee to be allowed for resit in the next round of the same module for a fail in the exam. (student can apply to attend the last class session as revision) and/or re-submission of the failed assignment within the same trimester, if possible with acceptable reasons.

Second attempt of the module for those achieving less than 50% for the fulfilment of the eligible requirement of HK CEF Scheme needed to be specially applied in writing (can be in email) within one month after notification of collection of result with the prevailing additional fee and rules.

6. Students have to be aware of the offence of plagiarism and collusion (those case must be referred to Disciplinary Board for determination), and should quote relevant sources in the assignment when necessary (both in-text and at the end with proper referencing, e.g. APA or Harvard and avoid using non-academic sources such as Wikipedia/Investopedia). For study and assignment hints etc., student can also refer to relevant free plagiarism checker or academic websites such as Copyright Classroom [https://hku.to/Copyright\\_Classroom](https://hku.to/Copyright_Classroom) , APUS <http://apus.libanswers.com/writing/faq/2391>, AsitEdit website <https://asiaedit.com/resources/> , CORE <https://core.ac.uk/> or Deakin <http://www.deakin.edu.au/current-students/study-support/study-skills/>. Any misconduct or violation of the PEAK/VTC policies will be subject to appropriate disciplinary actions including termination of the study.

Students are strongly reminded to provide answers corresponding to exact requirements of assessment questions, like wordings such as “justify”, “explain”, “elaborate”, “apply” with given scenarios, etc., and no marks will be given for just list points of generalized memory and irrelevant material.

7. Any appeal to the marks or special resit application, etc. should be made in writing to Programme Leader within 7 working days after notification or the incident, or within 3 working days from the day the student is informed of the decision of the Board.
8. The modules have been included in the list of reimbursable courses for Continuing Education Fund (CEF) purposes by completion of any one of PDI modules under the Continuing Education Fund (<https://www.wfsfaa.gov.hk/cef>) with the respective below CEF course codes as per <https://www.peak.edu.hk/en/content/professional-diploma-insurance-pdi>. Eligible applicants will be reimbursed up to a ceiling of HK\$25,000, adopting a co-payment ratio by the learners for the first 10,000 subsidy at 20% and that for the remaining \$15,000 at 40% of the course fee. For details on CEF, please refer to <https://www.wfsfaa.gov.hk/cef>.

9. Students who have completed previous similar level studies may be granted specified exemptions up to 50% of the required modules.

Exemption application (as per [https://www.peak.edu.hk/en/admission\\_page.php?id=33664](https://www.peak.edu.hk/en/admission_page.php?id=33664)) should be completed with the relevant syllabus and original transcripts certified by PEAK with prescribed application and exemption fee. Please note that the accreditation arrangements with other professional bodies or academic institutions for PDI studies may not apply to those modules obtained by exemptions.

10. A result slip will be issued after the actively enrolled trimester period. For the final completed transcript, the following award classification will also be shown:

<u>Classification</u>	<u>Average Mark</u>
Pass	40- to below 65
Credits	65- to below 75
Distinction	equal to or over 75

11. Subject to the fund availability and final decisions of PEAK with reservation right of amendments or withdrawal without prior notice, it is expected that some kind of scholarship awards will be available for the best achieving PDI students.

12. For better communication, a student representative should be nominated in each module of each intake with contact details sent to Programme Leader & the Programme Secretary & Officer for our future staff-student liaison meeting and students are encouraged to propose any students' activities and make use of PEAK Moodle platform (<https://moodlesp.vtc.edu.hk/login/index.php>) for sharing of up-to-dated academic information and networking.

13. For ANZIIF membership application, please refer to relevant information of membership details as per <https://anziif.com/membership/about-membership> with the relevant forms (new Member form or Upgrade form), which has to be directly sent to the Institute together with all the required documents. For documents certification, please contact our Programme secretary for prior arrangement.

For CII exemption, you have to enquire directly via their website [www.cii.co.uk/prior-learning](http://www.cii.co.uk/prior-learning). For CII certification you can arrange any CII member or IIHK official at Wanchai (<https://cii-hk.org>) up to your convenience.

For Insurance Authority (IA) CPD arrangement, details pls. refer CPD information sheet [https://www.ia.org.hk/en/supervision/reg\\_ins\\_intermediaries/cpd.html](https://www.ia.org.hk/en/supervision/reg_ins_intermediaries/cpd.html) [PDI is on the list of qualified CPD activities under the Guideline GL24 as Type 5 Qualifications (paragraph 17 & 18) under Schedule III of Annex 1 and can be considered to have satisfied the annual CPD requirements (except for the compulsory CPD hours on Ethics or Regulations) with at least one pass of the examination paper in that assessment period]; and on the list of Type 3 QF Accredited Programmes <https://www.hkcaavq.edu.hk/en/services/assessment/cpd-ia-programmes> categorised under the Insurance Industry on the Qualifications Register ]

Hope you enjoy the programme and for further information and other supports, you can contact me on 2836 1863 (email: [johntsang@vtc.edu.hk](mailto:johntsang@vtc.edu.hk)), our Programme Officer, Ms Carrie KWAN on 2836 1852 with email [carriekwan@vtc.edu.hk](mailto:carriekwan@vtc.edu.hk) and our Programme Secretary, Ms Yanni FAN on tel. 2836 1374 with email [fan.ms@vtc.edu.hk](mailto:fan.ms@vtc.edu.hk).

Best Regards,  
Mr. John TSANG  
PDI Programme Leader  
PEAK, VTC, HK

**Appendix I:**

**External Academic and Professional Recognition of Professional Diploma in Insurance**

(There is no guarantee that the external recognition remains unchanged subject to their sole discretionary review of the respective institutions and students should check their respective most up-to-date policies)

**1) Australia and New Zealand Institute of Insurance and Finance (ANZIIF)**  
**(updated as at September, 2012)**

<b>PDI Modules</b>	<b>ANZIIF membership</b> (as accredited from 2010)	<b>ANZIIF educational credits</b>
791I2 - Insurance Principle and Practice  792I2 - Insurance Underwriting and Claims  799I2 - Legal Framework for Insurance Contract  780I2 - Insurance Organization Operations	<u><b>ANZIIF Associate CIP</b></u>  <b>Successful completion of any 4 PDI modules (which must include a minimum of 1 ANZIIF legal module from the group of 793I2, 799I2, 797I2, or 798I2)</b>	<p><b>From January 1<sup>st</sup> 2012 and thereafter, students have to apply individually for Recognition of Prior Learning.</b></p>
793I2 - Legal Aspect of General Insurance  794I2 - Property Insurance  795I2 - Motor Insurance  781I2 - Liability Insurance  782I2 - Marine and Aviation Insurance    796I2 - Life and Health Insurance  797I2 - Life Insurance Underwriting and Claims  798I2 - Legal Aspect of Life Insurance    783I2 - Personal Investment and Financial Services  784I2 - Financial Planning  785I2 - Business Financial Planning	<u><b>ANZIIF Senior Associate CIP</b></u>  <b>Students graduated in 2012 and thereafter which must include a minimum of the above mentioned ANZIIF legal module (8 PDI modules)</b>  [Applicants would just need to provide a certified copy of the original testamur “Professional Diploma in Insurance.”]	

## 2) Chartered Insurance Institute (CII) (updated as at Dec 2021)

The awards have been broken down per PDI module as below for completion of PEAK Professional Diploma in Insurance (8 modules) and PDI graduates selecting the closest modules to current CII Insurance qualifications continue to be able to claim up to maximum 120 credits (say e.g. 75 Diploma level non-unit specific and 45 Certificate level). The following CII recognition of prior learning are conditional on completion of the PDI qualification.

<b>Professional Diploma in Insurance module</b> Successful completion depends on completion of any 8 of the following modules	<b>Maximum CII recognition of prior learning award from 1 December 2021 until 30 November 2022</b>
Insurance Principle & Practice (compulsory) At least one of the (compulsory): <ul style="list-style-type: none"> <li>• Legal Framework for Insurance Contract</li> <li>• Legal Aspect of General Insurance</li> <li>• Legal Aspect of Life Insurance</li> </ul>	An exemption from CII unit (WH1) Award in General Insurance Hong Kong (15 Certificate-level credits in the CII Insurance qualifications framework). NB An exemption from this unit does not award the CII Award in General Insurance qualification
Insurance Organisation Operations	<ul style="list-style-type: none"> <li>• One set of 25 Diploma-level non unit-specific credits for passing any two of these modules by exam</li> <li>Or</li> <li>• Two sets of 25 Diploma-level non unit-specific credits for passing any three of these modules by exam</li> <li>Or</li> <li>• Three sets of 25 Diploma-level non unit-specific credits for passing any four (or five) of these modules by exam</li> <li>Or</li> <li>• Four sets of 25 Diploma-level non unit-specific credits for passing all six of these modules by exam</li> </ul>
Insurance Underwriting & Claims	
Liability Insurance	
Marine & Aviation Insurance	
Life & Health Insurance	
Life Insurance Underwriting & Claims	
Motor Insurance	An exemption from CII unit (IF5) Motor insurance products (15 Certificate-level credits in the CII Insurance qualifications framework)
Property Insurance	An exemption from CII unit (IF6) Household insurance products (15 Certificate-level credits in the CII Insurance qualifications framework)
Financial Planning*	An exemption from CII unit (AWF) Award in Financial Planning (15 Certificate-level credits in the CII Financial Services qualifications framework)
Personal Investment & Financial Services	No recognition of prior learning award due to insufficient match with CII insurance or financial services qualifications
Business Financial Planning	No recognition of prior learning award due to insufficient match with CII insurance or financial services qualifications

\*The (AWF) Award in Financial Planning exemption doesn't count towards CII's insurance qualifications but does count towards the CII Certificate in Insurance and Financial Services qualification. For further details please visit [www.cii.co.uk/cert-ins-fs](http://www.cii.co.uk/cert-ins-fs).

An exemption from this unit does not award the CII Award in Financial Planning qualification

The award of credits in the CII's qualification framework is a privilege and not a right and awards can change over time as qualification frameworks evolve.

All recognition of prior learning applicants will need to comply with the CII qualification completion rules to achieve a CII qualification, for example, the requirement to complete a minimum one unit at the level of the CII insurance qualification or above directly with the CII. CII website contains further details:

[www.cii.co.uk/qualifications](http://www.cii.co.uk/qualifications).

### **Recognition of prior learning requirements**

Hong Kong PEAK students should note that:

At its sole discretion the CII reserves the right to make, amend and or withdraw credit awards which are the subject of this application at any time, on due notice as it sees fit and without monetary compensation. Under no circumstances will the CII accept any liability for consequential, indirect or special losses or special damages of any kind arising out of or in any way connected with the awarding or withdrawal of credit awards. The award of credits in the CII's qualification framework is a privilege and not a right and there is no intent to bring legal relations into being or otherwise establish a contractual relationship between the CII and students.

All recognition of prior learning applications are reviewed on an individual basis and take into account any previous recognition of prior learning awarded and exam units passed. CII recognition of prior learning awards are based on the awards at the time of the application decision and therefore awards can be different for students with the same qualifications. You can view the frequently asked questions at [www.cii.co.uk/rpl-faqs](http://www.cii.co.uk/rpl-faqs).

### **Application process**

The following link to the scheme rules will provide Hong Kong PEAK students with an overview of the standards, frequently asked questions, application process for individuals and fees. All recognition of prior learning applicants will need to complete the recognition of prior learning application form which can be found on the CII website: [www.cii.co.uk/prior-learning](http://www.cii.co.uk/prior-learning) .

Once they have completed the Hong Kong PEAK Professional Diploma in Insurance, Hong Kong PEAK students will need to provide their qualification completion certificate and results transcript to evidence the qualification award and passing the exam units. The results transcript must confirm details of the units passed and for each unit the exam result and date passed. Certified copies will be accepted, providing the person certifying is a current CII member. Please see the application form for details.

For further information or if students have any questions, please contact CII Customer Service team on +44 (0)20 8989 8464 or [customer.serv@cii.co.uk](mailto:customer.serv@cii.co.uk).

**3. BA Business Administration (BABA) of Coventry University**

PDI graduates can apply to articulate to final year of BA(Hons) Business Administration degree by Coventry University by completion of additional modules under the Professional Diploma in Business Management (PDBM) offered by PEAK, VTC

ANZIIF Senior Associate may also apply through non-standard entry to the final year of BABA degree by Coventry University (subject to approval).

**4. Society of Registered Financial Planners (HKRFP) (updated as at Jan 2020)**

The corresponding below subject exemption will be recognized by HKRFP.

Module of PDI	Exempt for HKRFP Module
791I2 Insurance Principle and Practice	FP3020 Insurance Planning
783I2 Personal Investment and Financial Services	FP3030 Investment Planning
784I2 Financial Planning	FP3010 Financial Planning FP3040 Tax Planning

Please note that there are five modules in HKRFP programme of Professional Diploma in Financial Planning. Hence, the PEAK students with above said exemption of any two papers of HKRFP with one (1) year financial services working experience are eligible to apply for HKRFP Associate membership, to obtain AHKRFP designation. Should any PEAK students with the above maximum exemption of 4 papers of HKRFP wish to pursue Full membership have to pass FP3050 Best Practices for Financial Planners and with two years of relevant working experience to obtain the HKRFP designation (more details as per <http://www.hkrfp.org> ).

**5. Hong Kong Society of Certified Insurance Practitioners (HKCIP) (updated as at Dec 2021)**

Students can apply for HKCIP subject exemption for corresponding PDI modules completed, for up to a maximum exemption of 5 HKCIP subjects and graduates are qualified to apply as “Associate Member” of HKCIP. Details refer to the website at <http://www.hkcip.org.hk/>.

## Appendix II:

### Rules for using PEAK Library Service (PDI)

1. All registered PEAK PDI students\* are entitled to enjoy the PDI library service provided by PEAK, VTC.
2. Borrowing Procedures:
  1. Please send us the name of the book you wish to borrow by E-mail to Programme Secretary. All books are allocated on a first-come-first-served basis according to the time of receipt of such e-mail.
  2. After receiving our emailed confirmation, please bring along with the confirmation print-out and collect the book at our PEAK reception **within three working days**.
3. Books may be borrowed for a period of **8 days** (starting from the day the book is collected).
4. Each registered borrower may borrow up to two items of books.
5. **A loan may be renewed through the emailed confirmation by PEAK** for a further period of **8 days** unless it is required by another borrower. Each borrower can only renew the book **twice**.
6. Borrowers are responsible for returning the books on loan to them by the due date. An overdue fine calculable from the day that immediately follows the date due will be charged at the rate of HK\$10.00 per calendar day.
7. The maximum overdue fine chargeable is HK\$100 per book. Thereafter if a book is still not returned, an additional fine equivalent to the estimated cost of replacement of the book plus processing costs (20% of the cost of book) will be claimed through the PEAK Administration. All fines paid are non-refundable. All fines should be paid at the PEAK Counter when overdue books are returned.
8. Students may not be allowed to sit for the examinations or be graduated until all library fines have been paid as well as all books returned. When any fine on an individual borrower reaches HK\$100, his/her borrowing privileges of all library materials will be suspended until he/she pays the fine.
9. No overdue notices will be made to borrowers and it will not be accepted as an excuse for waiving or reducing fines for overdue books.
10. Borrowers shall be held responsible for any loss, mutilation, damage or disfigurement by writing or other marks and shall be required to pay the full cost of replacing such books. In order to stop overdue fines from accruing, these cases should be reported to PEAK administration without delay. The cost of replacement will be the estimated price of the material plus a service charge per item as determined by PEAK.

**PEAK Hotline: 2836 1922**

\* Registered students refer to applicants who have successfully enrolled in the current intake.
