Training Course for Remote Invigilation Mode Examination of Insurance Intermediaries Qualifying Examination

保險中介人資格考試(遙距監考應考模式)培訓課程

📞 Enquiries 查詢 | 📞 2836 1922 | ✉️ peak@vtc.edu.hk

Background 背景

An individual licensee who has relied on Remote Invigilation Mode Examination (RIME) of Insurance Intermediaries Qualifying Examination (IIQE) to obtain his/her first intermediary licence would initially only have a licence that runs to the end of the stated 18-month period. Upon the expiry of the 18-month period, the intermediary licence can be renewed for another 3 years provided that the individual licensee has fulfilled either of the requirements in (i) or (ii) below within the 18-month period, and shows proof of this to the Insurance Authority (IA) during his/her intermediary licence renewal application.

- (i) attend a tailor-made course for the relevant IIQE paper; or
- (ii) pass the relevant original IIQE paper.

If, however, the individual licensee fails to submit to the IA evidence of fulfilling either measures (i) or (ii) above by the end of the 18-month period when his/her first licence is due for renewal, the first licence will expire at that point without renewal.

若個人持牌人憑遙距考試的成績取得中介人牌照，該個人持牌人獲發之首個牌照會在18個月期限屆滿後失效。18個月期限屆滿時，若該個人持牌人於18個月期限內完成下述第(i)或第(ii)項之要求，並於申請中介人牌照續期時向保險業監管局(保監局)出示有關證明，該中介人牌照便可獲續期3年。

- (i) 完成就有關資格考試試卷特設的課程；或
- (ii) 參加原有資格考試的相關試卷並考獲及格成績。

惟若有關個人持牌人於其首個牌照屆滿時，未能向保監局提交其於18個月期限內已完成上述試後方案第(i)或第(ii)項的證明，其首個牌照於18個月期限屆滿時將立即失效，不獲續期。

Course Objectives 課程目標

This course aims to allow individual licensees to fulfil the requirement in (i) above. Each course will cover all the topics in the syllabus of the IIQE papers. The individual licensees have to attend the course for the relevant IIQE paper. The duration of each course is 9 learning hours and there will be 30 minutes end-of-course assessment with 25 multiple-choice questions to ensure the licensees' understanding of the course contents. CPD hours can be granted at the rate of one CPD hour for every 3 hours of participation in this course. The 30 minutes end-of-course assessment will not be counted towards the total CPD hours granted.

The individual licensees have (i) attended the 9-hour course; and (ii) obtained a pass mark (answered at least 17 multiple-choice questions correctly) in the end-of-course assessment to obtain the Certificate of Completion and the corresponding CPD hours. If the individual licensees fail in the end-of-course assessment, they will not get the Certificate and any CPD hours and will not be regarded to have fulfilled the requirement imposed to them within 18 months. The individual licensees may refer to the below link for the requirement:

RIME of IIQE

Intellectual Property Rights (IPR) are legal rights protecting the creator of IP, giving him/her economic rights and control in his/her creations.

Applicability of Intellectual Property Policy to Students

2. VTC's Policy on Intellectual Property is applicable to all students, whether full-time or part-time, who are registered students of programmes offered by VTC or its institutions / centres, whether the programme is solely offered by VTC or jointly offered with other partner institutions or is commissioned to be offered.

Ownership of the Intellectual Property

3. In the course of study, students will make use of the equipment, facilities or resources owned by VTC, including but not limited to drawings, data, sketches, documents, laboratories, stationery and consumables, and will receive guidance from teachers in generating ideas for assignments and projects and may, therefore, generate Intellectual Property which might be adopted for commercial use. Whilst the student will maintain ownership of the Intellectual Property in the materials he or she creates, each student irrevocably grants VTC a perpetual, royalty-free, world-wide and non-exclusive right to reproduce or use (in whole or in part) any Intellectual Property materials (including adaptations of such materials) created solely or jointly with other persons during his/ her course of study. Such right to use will include but not limited to, for example, the followings:

- a) The right of VTC to sub-license the Intellectual Property;
- b) To showcase the award-winning works of the student for publicity or display purpose; and
- c) To refer to and use the works created by student in seminars, symposia, lectures and professional meetings.

VTC will acknowledge the materials as the student's Intellectual Property.

4. The exception to the rule on ownership set out at the above clause is that in cases where a student is working on a project that is sponsored by an external company and/or the VTC, the right to the Intellectual Property generated from the project should belong to the Company or VTC or student as stipulated in the prior agreement of the parties concerned. In this context, "sponsor" means support from the Company or VTC, which could include financial assistance (cash or in kind), use of Company's or VTC's equipment and facilities, and access to Company's or VTC's confidential data, drawings, sketches, and documents relating to the project.

Student's Obligations and Warranty

5. Notes and programme materials provided to students by teachers or departments are VTC's properties and shall be used by students only for private study. Students are not permitted to upload such materials to other servers and/ or make copies, either in printed or electronic format, of the materials for other people who are not registered on the studying programme concerned. Video taking or recording during lessons without permission are prohibited.
6. Each student should ensure that the Intellectual Property materials created by him or her shall be original and do not infringe the Intellectual Property rights belonging to any other person especially copyright, moral rights, patents or registered designs of any person and, in particular, that it does not contain anything defamatory or libelous.
7. Each students undertakes to promptly report to VTC if he/ she knows or has reason to believe that the right of the Intellectual Property materials belongs to someone else solely or jointly with him/ her.
8. Each student should, at the time when he or she completes registration for a programme offered by VTC or its institutions/ centres, undertake to agree to follow the policies, rules and regulations issued or to be issued or revised by VTC from time to time. Each student acknowledges his or her understanding that adherence and compliance to the policies, rules and regulations is a condition of continued enrollment and graduation. Any violation of VTC's Intellectual Property Policy is considered as a serious misconduct, which may be referred to Student Disciplinary Committee, or any counterpart in respective member institution handling student disciplinary matters, for investigation and consideration.

(V) STUDENT DECLARATION ON ACADEMIC ORIGINALITY

I declare that all the academic work that I will submit, which may take various forms such as but not limited to class work, written assignments, laboratory work, presentations, portfolios, artefacts and projects during the course of my study are entirely my own work. I understand submitting or presenting academic or assessment works, either in its entirety or in part, which is not my own work but claiming that it is my own work would be considered as cheating, which will render me liable to disciplinary actions.

I have read, understood and agreed to follow all relevant rules and regulations promulgated by PEAK under VTC stipulated in the "(I) Collection and Use of personal data", "(II) Notes to Applicants", "(III) Declaration", "(IV) Intellectual Property Policy (IP Policy) on Students" & "(V) Student Declaration on Academic Originality" on page 2 & 3 of this enrollment form and in the "Programme Administration Guidelines" (the Guidelines).
